RE: Docket No. 02-00291; Response of Total Environmental Solutions, Inc.  
and South Louisiana Electric Cooperative Association to the letter, dated  
April 19, 2002 requesting additional information.

Dear Mr. Waddell:

In response to your letter, dated April 19, 2002, requesting additional information in connection with that certain Petition of Total Environmental Solutions, Inc. ("TESI") and South Louisiana Electric Cooperative Association for an Amendment of Tariff Certificate of Public Convenience and Necessity to Provide Utility Services (the "Petition") filed with your office as Docket No. 02-00291, TESI offers the following responses:

1. Enclosed please find a copy of that certain Purchase Agreement, dated as of November 15, 1992 (the "Agreement") among National American Corporation ("NAC"), Johnson Properties and certain NAC affiliates. The Agreement is being delivered to you as "proprietary information" pursuant to Chapter 1220-1-1.03(8) of the Rules and Regulations of Practice and Procedure of the Tennessee Regulatory Authority (the "Authority"), and TESI respectfully requests that the Authority take appropriate action to maintain the confidentiality of the Agreement. Therefore, TESI respectfully requests that the Agreement not be posted on the Authority's website with other materials related to this docket. As neither TESI, nor its parent, is a party to the Agreement, TESI sought and obtained the consent of NAC to deliver the Agreement to the Authority. NAC conditioned its consent on the redaction of all pricing terms in the Agreement, so such terms have been redacted.

2. Pursuant to that certain petition filed with the Tennessee Regulatory Authority on April 10, 2002, TESI requested that the Authority correct the company's name in Authority records from Riviera Utilities of Tennessee, Inc. ("Riviera Utilities") to TESI. Neither TESI nor its successor, Riviera Utilities, is providing water service to Cherokee Landing. The owner of Cherokee Landing, Cherokee Landing Corp., an affiliate of NAC, provides its own water. As stated in the Petition, Cherokee Landing is a seasonal campground with no permanent residents. Neither Cherokee Landing Corp. nor NAC wishes TESI to provide water service to Cherokee Landing.

3. As previously stated, Cherokee Landing is a seasonal campground with no permanent residents, and none of Riviera Utilities, Cherokee Landing Corp. or NAC have collected any tap fees. As stated in the Petition, Cherokee Landing was not sold to Johnson Properties, Inc. pursuant to the Agreement.

I appreciate the continued attention that you and your staff have given to this matter. If you or your staff have any additional questions or I can provide any additional information, please do not hesitate to contact me at the number listed above.

Regards,

---
